OUR MISSION

The mission of The Lifehouse, Inc. (WV) is to provide a structured sober living environment for men & women overcoming alcoholism and substance abuse through a therapeutic community setting with peer accountability & program support.

9 Properties
115 Beds

"My life has been changed by God, and the people of lifehouse. I can do all things through Christ Jesus who strengthens me!"

"Lifehouse is NOT just a house. It is my home, the body of Christ and led by a mighty man of God. In being here I am blessed daily to witness miracles as the Holy Spirit equips each of us to express the fullness of God's love to the world. As lives are transformed here I observe how all that Satan intended for bad God in turn is using for good through each and every one of us. LIFEHOUSE!!!!!"

"Lifehouse and God gave me back a life that I had lost. With courage, strength, and faith there is nothing I can not overcome."

"Addiction Recovery"

"It is a tree of life to those who take hold of it, and those who support it are praiseworthy." Proverbs 3:18

WHO WE ARE

The Lifehouse, Inc. is a Non-Profit organization which provides recovery programming within our Lifehouse homes for men and women recovering from addiction to drugs and alcohol.

Lifehouse:

- Is Voluntary
- Provides Affordable, Safe, Clean and Drug free housing
- Uses a Faith Based and Peer Awareness Approach
- Empowers individuals with responsibility

The Lifehouse allows/encourages a person to grow by nurturing an environment in which positive values and a change of views are pursued. Our environment enables the residents to stop living their lives based on emotions and begin managing their lives based on decisions and principles.

WHAT WE DO

Objectives

- Help participants work and practice their life skills while staying free from drugs and alcohol.
- Help participants manage challenges.
 - Many participants still have child support, court fees, fines, driver's license expenses, etc., that they are responsible for. We help each individual to become responsible for their behaviors and practice their new way of life with daily consistency.
- Help participants transition into stable, healthy, productive lives.

**This is real, this is life: my life,
your life, our life.**

WHAT WE BELIEVE

• ***People can Change***

We Believe RESPONSIBILITY INDICATES GROWTH It must become each individual's idea along the way to change Once a participant is honest, willing, and open-minded he/she can build on the foundation of clean living to not only stay clean but have a joyous, happy and free life.

• ***People will Help Us***

How You Can Help:

- Praying for us
- Volunteering
- Contributing

Lifehouse has ongoing expense to operate and achieve our Mission. We ask that you would prayerfully consider supporting us.
